THE FAMOUS BIGSBY "TRUE VIBRATO"

Bigsby's unique Tremolo Unit allows you to sharpen or flatten by half a tone by simple up and down movement of the Vibrato Arm. The exclusive Bigsby Tremolo action gives you Tremolo at your individual choice of speed and depth. Supplied complete with "rocker action" bridge which prevents "sawing" by the strings—specially designed so that it will not tip. Complete unit easily fitted to any guitar.
